SIN

SIN IS LIKE DARKNESS IN OUR HEARTS. IT'S THE WRONG THINGS WE DO, LIKE LYING, DISOBEYING, BEING SELFISH, OR SAYING MEAN THINGS. THE BIBLE SAYS:

ALL HAVE SINNED... (ROMANS 3:23)

YOU AND I HAVE SINNED! AND SIN CAN'T COME NEAR GOD. HE SAYS WE DESERVE TO BE SENT AWAY FROM HIM TO BE PUNISHED FOREVER. TRYING HARD TO BE GOOD CAN'T

GET RID OF YOUR SIN. BUT GOD LOVES YOU AND HAS SENT SOMEONE TO TAKE AWAY YOUR SIN!

HE WANTS YOU TO KNOW HIM AS YOUR FATHER, LOVE HIM, AND LIVE WITH HIM FOREVER! BUT WE HAVE A PROBLEM THAT CAN KEEP US AWAY FROM GOD. IT'S CALLED...

FOR GOD SO LOVED THE WORLD... (JOHN 3:16)

Gospel Whirligig - INSTRUCTIONS

1. Print the pattern on white paper, being sure on the Adobe print options to choose "ACTUAL SIZE" (or set "Page Scaling" to "None"). Otherwise the margins will not print correctly and the piece will not fold correctly!
2. Lay page print side down, horizontally, with the corner nearest to the white heart outline at lower left.
3. Bring that corner up, aligning the edges perfectly at top and creasing diagonally. Trim off the extra paper at right (where these directions are printed) to make a perfect square.
4. Open the fold and bring the other two corners together, again making a diagonal crease, corner to corner.

5. Open the paper out, print side down, and fold each of the four corners up accurately into the center.
6. Turn the paper over and again fold each corner up into the center.
7. Turn it over and note the colors indicated for the triangles on top. Use pencils, crayons, or markers to carefully color the triangles (note that two remain white). It may be easier to unfold the paper to color it. Also color the two triangles gold on the other side that are marked "Start Here" and "GOD?". You may color the cross red and the tomb gray or tan. Do not color the "clean" heart!
8. Refold after coloring.
9. With the colored side up, bend down at the center line, align corners, and crease in half, then open it up, turn 90

10. Insert the thumb and first 3 fingers under the gaps between the top colored flaps, and from below gently poke forefinger of other hand into center while squeezing it into a 4-segmented pyramidal shape. Use the thumbs and forefingers of both hands from below to open and close the segments.
